04.28.2020 | 10 | 21NEWS

Head of Susman Godfrey's Los Angeles Office, [Marc Seltzer](#), has been selected by *Law360* to serve on their 2020 Securities Editorial Advisory Board. The purpose of the editorial advisory board is to, "get feedback on *Law360*'s coverage and gain insight from experts in the field on how best to shape future coverage."

Seltzer has represented investors in numerous class and individual actions over his many years of his practice. He recently helped secure what is believed to be the largest settlement ever achieved for a class of derivative investors. He currently serves as co-lead counsel in securities fraud class actions involving cryptocurrencies.
